*A Guide for Daily Meditation and Prayer  
For the week of the Last Sunday of the Church Year  
November 24, 2024 through December 1, 2024*

**Catechesis Notes for the Week — Thanksgiving: The Christian Understanding**—Thanksgiving Day is a national holiday in our country. It dates back to the pilgrims who gave thanks for having made it through a brutal winter to a fertile spring and an abundant fall harvest. The history of national thanksgiving begs the question, “What if life had gotten worse for the pilgrims?” For the world, thanksgiving is based upon whether or not people have gotten something in their lives that they deem “good” and therefore worthy of thanksgiving. For the Christian, thanksgiving is exactly the opposite. Christian thanksgiving is rooted in the faith that receives all things from God, whether good or bad, because he is God. Because of Christ’s death we understand that everything God does or allows to come into our lives, even if it causes us great pain and suffering, is ultimately for our good. God’s greatest good is to preserve us steadfast in the Word and faith of our Savior until we die. This He promises to accomplish for us particularly in the midst of hardship and suffering. God accomplished His greatest good in the midst of what appeared to be the most heinous evil: the crucifixion of an innocent man. With the cross of Christ in view, we give thanks for all things, especially the hardship, suffering, and crosses of life, that through these we might be given occasion to rely upon our Savior alone.
